

I would stay

arr. P. Kemmens.

- 1. If this is true, I thought then, what will I think?
Will I stay or rather I would ~~x~~ get away?
I'm scared that I won't find a thing.
And afraid that I'll turn out to be alone. But I.

I have to learn, have to try, have to trust I have to cry. Have to see, have to know that I can be myself. And if I could, I would stay. And if they're not, not in my way. I'll stare here in the distance. But I'll grow up to be just like you, yeah. I'll grow up to be just like you.

- 2. I see it all I'm sure but do I know what's right?
I thought I knew, it turns out the other way.
I am scared that I won't find a thing
and afraid that I'll turn out to be alone. But I.

Alten 2e couplet

oeh... oeh... oeh... oeh...

I wanna tell you. Why would I try to? You are all that I can see now.

Why would I try to? and I wanna tell you. Why would I try to?

you... are all I can see now. Why I know I'll try to?
